

## How to Participate

1. Write **THREE** hand-written letters, explaining why you believe we should welcome refugees into the United States and why refugees are important to our communities. Your three letters will go to **Senator Sinema, Senator Kelly** and your **one House Representative**. You can find who your one House Representative is [here](#).
2. **Sign with your full name and address** (*Don't forget this!* Members of Congress will want to confirm this and will send you a letter back.)
3. Mail the letters to the Lutheran Social Services of the Southwest office, **attn: Charlotte Shurtz 2502 E. University Drive, Suite 125 Phoenix, AZ 85034**
4. Need inspiration for what to write? Take a look at our sample messages on the website, [www.lss-sw.org/grace-act](http://www.lss-sw.org/grace-act)

(You can also complete the letter online [here](#). We'll transcribe it for you!)

## What Happens Next?

**In August and September 2021**, we will meet with those members of congress and deliver your hand-written letters to them. Let us know if you are interested in joining us!
